Dear Parent/Carer

At 5 Star Day Nursery we provide a high quality integrated play and learning environment for your child. We understand that children need to feel a sense of security and belonging when they are away from their parents. We make certain that all children feel happy, secure and safe within their environment. Children are encouraged to develop self-confidence, creativity, independence and individuality within a secure, healthy and stimulating environment. Fully trained staff have a real bond with the children in their care. They will support every child with a learning experience that is planned from the child's starting point with activities that are challenging yet achievable. We acknowledge and value parents/carers as primary educators and we will work alongside you and your family for the benefit of your child.

The staff team and I look forward to meeting you and your family

Kirsty Henderson
Nursery Manager

Nursery Information

5 Star Day Nursery offers exceptionally high standards of childcare and education for children aged 6 weeks to 5 years. We offer quality care by qualified staff that specialise in all areas of childcare development. Children attending the nursery come from varying social/racial backgrounds and all are encouraged to mix well together and to learn from one another. Good manners, social behaviour, as well as personal hygiene are all incorporated into the daily routine of the nursery, with the children caring and sharing with each other throughout the day. Safety standards are always maintained both inside and outside the nursery. The garden is fully secure and incorporates both wet/dry play areas. We have a large lawned sensory area, vegetable and planting patch as well as a separate enclosed play area with an all-weather surface fully equipped with age appropriate outdoor toys, giving the children access to outdoor activities all year long. There is secure access system and CCTV at the front, rear and in every base room.

Keeping your Child Safe and Sound

5 Star Day Nursery strongly believes in children being safe at all times. As providers we have implemented effective systems and practices to enable a safe and secure environment for all children, staff, parents/carers and visitors. We operate an access control door system so all staff are fully aware of who is coming in and out of the setting. To enable us to have full control of who enters the premises we will challenge and question unauthorised and unrecognised person(s). All parents/carers must provide the Nursery with a password and inform the staff of who will be delivering and collecting the child on the day. If another person is to be collecting your child they must provide us with a password and a form of identification. Parents are asked not to admit an unauthorised person(s) into the setting at any time. We recruit staff with care and attention. Every member of staff must undergo a clearance with Ofsted and a criminal record bureau check. Both inside and outside of the setting is safe and secure with fences, fully secured gates, doors and locks. Our toys and equipment are age appropriate and of high quality; they are risked assessed as per our Health and Safety Policy. All necessary areas are covered by CCTV to make the setting a more safe and secure environment,

We accept certain Child care vouchers from employers who offer this benefit to their eligible employees as a paper or e-voucher. Vouchers are non-taxable and exempt from NI contributions for employees, whilst offering NI savings for employers. Both parents are eligible to claim as long as they are both in employment. Settling in Sessions

Starting nursery can be a very testing time for many children and parents/carers. To help you and your child during this time, a number of settling in sessions will be arranged with the management and key person to ensure that your child has a smooth transition into nursery life. During these sessions, parents will be required to complete key documentation including medical, feeding and sleep patterns. On admission each child will be allocated a Key Person. The Key Person will keep parent/carers informed of all aspects of their child's development and learning journey. Your child's Key Person is available to discuss any questions or concerns you may have regarding your child.

All About Me

We see babies and young children as individuals first each with a unique profile of abilities and interests. To enable us to focus the nursery experiences around your child as they start nursery or move from room to room an 'All About Me' document is completed with the parents and key person. This highlights the child's favourite activities, personal needs and gives you an opportunity to meet the new staff. The child will partake in a number of settling in sessions to the new room to familiarise themselves and support a smooth transition.

Learning Journeys

We aim to support every child with a learning experience that is planned from the child's starting point with activities that are challenging yet achievable so that they can continue to enjoy learning. Your child's key person will be sensitive to the individual development of each child to ensure that the activities they undertake are suitable for the stage that they have reached. Practitioners will therefore complete ongoing observational assessment in their Learning Journeys each month to inform planning for each child's continuing development through play-based activities. The records are shared with parents regularly and include parental involvement at every stage

Parent Evenings

Parent evenings are held regularly at the setting, for you to meet with your child's key staff and to discuss in more detail your child's development. These evenings also give you the opportunity to socialise with other parents and staff from the nursery.

Staff

The staff have a mixture of qualifications and experience and all have with the Nursery group for a number of years. Staff are chosen for their all round knowledge, qualities and experience. The staffing ratios in all Nurseries are as follows:

- Discoverers & Pre-Explorers 0 - 2 years 1 carer per 3 babies
- Explorers 2 - 3 years 1 carer per 4 children
- Inventors 3 - 5 years 1 carer per 8 children

Students

The Nursery is and will continue to be involved with prospective childcare workers. Therefore, a number of students will be working alongside the Nursery staff, but will be supervised at all times.

Lunch and tea are prepared on site and a copy of the current menu will be provided. Snack is available in the morning and evening. A snack bar will be accessible to the children throughout the day.

Once fully weaned, meals will be introduced after consultation with parent/carer.

The Early Years Foundation Stage Curriculum (EYFS)

What is the EYFS?

The EYFS is a statutory framework to support children's learning and development from birth to five years.

Who uses the EYFS?

Anyone who offers care and education to children aged birth to five. Childminders, day nurseries, pre-schools, playgroups, holiday play schemes, reception classes in schools, after school and breakfast clubs all work within the EYFS.

What is it all about?

The framework recognises that the years from birth to five are so special because you see the greatest growth and learning for all children.

The framework is based on 4 themes and principles:

- **A Unique Child**

Every child is a unique child who is constantly learning and can be resilient, capable, confident and self-assured.

- **Positive Relationships**

Children learn to be strong and independent through positive relationships.

- **Enabling Environment**

Children learn and develop well in enabling environments, in which their experiences respond to their individual needs and there is a strong partnership between practitioners and parents and carers.

- **Learning and Development**

Children develop and learn in different ways. The framework covers the education and care of all children in early years provision, including children with special educational needs and disabilities.

There are 7 areas of learning

The Prime areas are:

- Personal, Social and Emotional Development
- Communication and Language Development
- Physical Development

The Specific areas are:

- Literacy
- Mathematics
- Understanding the world

- Expressive Arts and Design

What to include in your child's bag

To ensure your child has everything they need at nursery, we ask parents to supply a bag for nursery containing the following:

Spare clothes (at least 2 tops and 3 pairs of underwear and bottoms if your child is toilet training)

Slippers/slipper socks (these can be kept at nursery)

Crocs/jelly shoes (instead of slippers if your child is toilet training)

Weather appropriate clothing such as hats, scarves and gloves

Wellington boots

Any comforters

A supply of nappies/pull ups and wipes/cotton wool

Sun cream (if you wish to provide your own)

Medication (must be brought to the office)

Bottles

Toothbrush (nursery will provide toothpaste)

For safety, we ask parents to not use draw string bags for nursery. Also we ask parents to ensure there are no medications, including inhalers, left in the bag; these should be handed to a member of the management team in the office.

SLEEP AND REST

The quiet areas are available for children to sleep or rest whenever they feel the need. The babies have their own cot bed and the older children are provided with a sleeping mat. Children are never left to sleep away from the direct observation of an adult. Records are kept on sleep charts and sleeping children are checked every 5 minutes, children over the age of two years will be checked every 10 minutes. Parents are encouraged to liaise closely with their key person to discuss their child's sleeping pattern.

OUTINGS

Outings for all children are organised regularly both locally and further afield. Children will be supervised to a ratio of 1 - 2 or as deemed appropriate by the Nursery Manager. Parents may be asked to pay reasonable fares incurred on behalf of the children. Parental consent will be sought and you are asked to sign a consent form.

PARKING

5 Star Day Nursery has its own specific parking regulations please ensure you follow them when attending the Nursery. Parking is strictly limited to picking up and dropping off and on no account are we able to offer all day parking to any parent. Nor can we be held responsible for any damage incurred to vehicles and property whilst they are in the Nursery car park.

COMPLAINTS & COMPLIMENTS PROCEDURE

5 Star Day Nursery believes that parents are entitled to expect courtesy and prompt, careful attention to their individual needs and wishes. We hope that at all times you will be happy with the service provided and that you might like to voice your appreciation to the staff concerned. Complaints will be dealt with professionally and promptly to ensure that any issues arising from these complaints are handled effectively and to ensure the welfare of all children. We welcome any suggestions from parents on how we can improve our services, and will give prompt and serious attention to any concerns that you may have by following our complaints procedure as outlined below:

Complaints procedure

Stage 1

If any parent should have cause for complaint or any queries regarding the care or early learning provided by the nursery they should in the first instance take it up with the child's key person or a senior member of staff/room leader.

Stage 2

If the issue remains unresolved or parents feel they have received an unsatisfactory outcome, then these concerns must be presented in writing to the nursery manager. The manager will then investigate the complaint and report back to the parent within three working days. This will be fully documented in the complaints log book and will detail the nature of the complaint and any actions arising from it.

Stage 3

If the matter is still not resolved, a formal meeting will be held between the manager, parent and the senior staff member to ensure that it is dealt with comprehensively. A record of the meeting will be made along with documented actions. All parties present at the meeting will review the accuracy of the record, sign to agree and receive a copy, which will signify the conclusion of the procedure.

Stage 4

If the matter cannot be resolved to their satisfaction, then parents have the right to raise the matter with Ofsted.

A record of complaints will be kept in the nursery. Parents will be able to access this record if they wish to, however all personal details relating to any complaint will be stored confidentially and will be only accessible by the parties involved. Ofsted will have access to this record at any time during visits to ensure actions have been met appropriately.

Parents may approach Ofsted directly at any stage of this complaints procedure. In addition, where there seems to be a possible breach of the setting's registration requirements, it is essential to involve Ofsted as the registering and inspection body with a duty to ensure the Welfare Requirements of the Early Years Foundation Stage are adhered to. The number to call Ofsted with regard to a complaint is: **0300 123 1231**
